

Shing Mun Tunnel Road (Eastbound – towards Sha Tin) Temporary Speed Reduction Arrangement

Implementation date : Midnight of 16 August 2025 to end of 2029

- To facilitate the construction of the Sha Tin Trunk Road T4, road widening and bridge works will be conducted along sections of the Shing Mun Tunnel Road.
- A temporary speed reduction will be implemented at an approximately 700m long section of Shing Mun Tunnel Road Eastbound from near Mei Chung Court to Mei Tin Road (**indicated in orange in the figure**).
- The speed limit will be reduced from 80 km/h to 50 km/h to ensure the safety of road users and workers.
- To align with the above arrangement and maintain consistent speed, the speed limit from the Shing Mun Tunnel portal to near Mei Chung Court will also be adjusted to 70 km/h (**indicated in green in the figure**). The settings of the speed enforcement cameras will be adjusted accordingly.
- Appropriate traffic signs will be installed at the relevant locations to alert drivers.
