

Temporary Arrangement of Goods Vehicle (GV) Metered Parking Spaces on Shing Wan Road

Implementation Date: From 7 January 2026 to 2029

- To facilitate the construction of the Sha Tin Trunk Road T4, construction of viaducts will be carried out at Shing Wan Road. 20 metered parking spaces for goods vehicles (GV) on Shing Wan Road will be temporarily suspended in phases starting from 7 January 2026 (**indicated in red in the figure**). Motorists may use the temporary parking spaces for goods vehicles (GV) re-provided nearby (**indicated in blue in the figure**).
- Appropriate traffic signs will be provided on site to guide motorists.
