

Temporary Traffic Arrangement on Sha Tin Road (Southbound)

Implementation Date: 26 March (Thu) to 28 March 2026 (Sat); 2 April (Thu) (Late Night to Early Morning of the following day)

For the construction of the Trunk Road T4 in Sha Tin, road pavement and road realignment works will be conducted along sections of fast lane of Sha Tin Road(Southbound). To avoid affecting daytime traffic, section of the southbound fast lane and section of slow lane of Sha Lek Highway will be closed from **26 to 28 March (23:00 to 05:30 of the following date)** (indicated in red in the figure). Also, one lane at Sha Tin Road (Southbound) will be alternatively closed on **2 April (21:00 to 05:30 of the following date)** to carry out road marking painting works. During the construction, vehicles could continue to use the remaining lane of the section.

- The speed limit will be temporarily reduced from the original **80 km/h** to **50 km/h** to ensure the safety of road users and construction workers during the works.
- Appropriate traffic signs will be installed at the relevant locations at alert and assist motorists.
