

Night Works on Sha Tin Road (Northbound)

Implementation Date: 22 June (Mon) and 27 June 2026 (Sat) (00:01 – 06:00)

For the construction of the Trunk Road T4 in Sha Tin, night works will be conducted along fast lane of Sha Tin Road (Northbound), certain road sections (indicated in red in the figure) will be temporarily closed at the aforementioned early morning hours. Vehicles could continue to use the slow lane of the section during the works period.

- Appropriate traffic signs will be installed at the relevant locations to alert and assist motorists.
- Mitigation measures and mobile noise barriers will be adopted to minimise the impact on neighborhood.
- For details, please refer to the Transport Department's traffic notices: https://www.td.gov.hk/en/traffic_notices/index_type_1.html
- The construction schedule may be adjusted depending on weather conditions.
